METHODS OF GENERATING UNITS

The GRC requires completion of a minimum of 3 units in each of the 4 program areas and a total of 16 units. Units will be recorded only as whole units. Units will not be given for duplicate activities.

- 1 formal course = 8 units (2 units will be allocated to each program unit)
- Seminar sponsored by GRC = 1 unit
- 8-hour formal workshop sponsored by GRC = 2 units
- 4-hour formal workshop sponsored by GRC = 1 unit
- Other seminars, workshops and courses not sponsored by GRC must be approved by the student's graduate administrator or GRC committee (units may vary)
- 20 hours of supervised work on research activity pre-approved by graduate administrator or GRC committee = 1 unit
- Poster presentation of research at a national or regional professional conference which has been pre-approved by the graduate administrator or GRC committee = 1 unit
- Presentation of research at a national or regional professional conference which has been pre-approved by the graduate administrator or GRC committee = 2 units
- Acceptance of research article as first or second author in a journal which has been approved by the graduate administrator or GRC committee = 2 units
- Any past research activity completed while enrolled in NCSU graduate program will be reviewed by graduate administrator or GRC committee and units will be given on a consistent basis.
